

WISCONSIN SALVAGE TITLE ENCLOSED

WARNING: OPERATION OF THIS VEHICLE IS NOT LEGAL UNTIL IT HAS PASSED A WISCONSIN SALVAGE INSPECTION

Enclosed is a new Wisconsin salvage certificate of title, the enclosed title is the only valid title for your vehicle. Any previously issued Wisconsin titles are **VOID**, and should be destroyed.

Contact a licensed salvage inspector assigned to your area to make an appointment for the salvage inspection after you have completed the restoration of your salvage vehicle. For a current listing of salvage vehicle inspecting agencies, please refer to our website, wisconsin.gov/Documents/safety/veh-inspect/salvage-veh/salvage-vehicle-list.pdf.

The salvage inspection will not be completed without:

1. This letter.
2. Completed MV1 Wisconsin Title & License Plate Application form, wisconsin.gov/Documents/formdocs/mv1.pdf
3. Wisconsin salvage title, in your name.
4. Completed MV2673 Major Parts Statement Repaired Salvage Vehicle or Homemade form, wisconsin.gov/Documents/formdocs/mv2673.doc; attach bills of sale for all major components.
5. Documentation certifying that a 4-wheel alignment has been conducted and all wheels were properly aligned. If the vehicle frame was not damaged to such an extent to be noticeably out of wheel alignment, and did not require the vehicle to be realigned, request MV2859 Salvage Vehicle Statement from your inspector.
6. Documentation certifying the entire airbag system has been checked and is in proper working condition. If the airbags were not deployed as a result of the damage on the vehicle, request MV2859 Salvage Vehicle Statement from your inspector.
7. Pictures of the vehicle before repair – front, rear, passenger side and driver's side. The pictures will be retained by the inspector. If you do not have pictures of the vehicle prior to the repairs, request MV2859 Salvage Vehicle Statement from your inspector.
8. \$80.00 inspection fee, plus sales tax and any registration fees; refer to the MV1 Wisconsin Title & License Plate Application for instructions.
9. Make one check (or money order) payable to **Registration Fee Trust**.
10. Postage paid envelope large enough to hold all of the above documents, addressed to:

Wisconsin Department of Transportation
PO Box 7949
Madison WI 53707-7949

It is only legal to operate your vehicle to and from the inspection location, or to and from a repair facility per Wisconsin Statutes 341.05(19). For information on parts for a vehicle/motorcycle, please refer to Wisconsin Statutes Chapter 347 and Wisconsin Administrative Code (Trans Rule) 305, listed on the reverse side of this form.

If you have questions, e-mail vehiclequestions@dot.wi.gov , or call (608) 264-7447, Monday through Friday between 7:30 a.m. and 4:30 p.m.

Homemade vehicles must meet all equipment requirements of s.347 Wis. Stats, Trans 305, Wis Admin Code and 49 CFR Part 571 (Federal Motor Vehicle Safety Standards - FMVSS).

Reconstructed or modified vehicles: The vehicle inspection will cover Wisconsin statutes Chapter 347- Equipment of Vehicles and Transportation Rule 305 - Standards for Vehicle Equipment. The Federal Motor Vehicle Safety Standards (FMVSS), specifically 49 CFR Part 571 must be maintained for the base vehicle. Additional requirements may be required to meet current year standards.

Below is a list of the vehicle equipment that is inspected on all salvage vehicles, homemade, reconstructed and/or modified vehicles.
