If you are putting leaves or grass clippings on the **COMPOST** pile, please do not use plastic bags. There is a garbage can for bags if needed. We appreciate your cooperation!

**UNDER CONSTRUCTION**  
Building permits must be obtained before any work is started. An approved copy of this permit must be posted on the job site.

### Stanley Fire Department:

Burn Permits can only be issued by the Fire Chief. Please only burn brush and natural wood. No household materials should be getting burned.

*Stanley Fire Department is currently looking for more firefighters and EMRs!  
Please join today.*

### Stanley Police Department:

With spring just around the corner, we want to remind property owners that City ordinance 11-6-6 prohibits the storage of:

- Junk
- Building Materials
- Inoperable/Unregistered Vehicles
- Appliances
- Tires
- Other General Debris

Properties within the city that are found to be in violation will receive written notice and will be given 10 days to bring their property into compliance.

**FAILURE TO COMPLY WITH THE ORDER WILL RESULT IN THE ISSUANCE OF A \$200.00 CITATION EACH AND EVERY SUBSEQUENT DAY UNTIL SAID VIOLATION(S) ARE RECTIFIED.**

Eventually, the lawns will begin to grow back! In Ordinance with Section 8-1-6, please keep your grass height under eight (8) inches in height. Grass should NOT be blown into the City Streets. Failure to keep your grass trimmed will result in a five (5) day notice and a potential fine.

### For Your Safety:

Per City ordinance 6-2-13, all homes and buildings must have the assigned street numbers immediately located above or to the side of the main door. These numbers should be a minimum of 3 inches tall and in a contrasting color for maximum visibility. This allows for Emergency Services to be able to locate the correct address in a reasonable timeframe.

Discover more at the D.R. Moon Memorial Library this Spring.

Since 1901, the library has been a valued community asset, providing services and resources for everyone. Watch for special programs and join our Creative Writing Guilds for adults or teens, our active book club, Girls Who Code clubs, monthly crafting, Storytime, and more.

Stay connected wherever you are with one of our WiFi hotspots or come into the library to use our public computers and free WiFi. If you're having technology trouble, bring your device in and library staff will try to help you figure it out.

**Home delivery available!** Call library staff at 715-644-2004 to have library materials delivered to your door. We are happy to bring the library to you; just let us know.

**Free COVID tests and masks** are available at the library. We received hundreds of tests and masks from the Wisconsin Department of Health Services. Stop by during our open hours, Monday through Friday 10AM-6PM, to pick up as many as you like, for free.

Visit our website at [stanleylibrary.org](http://stanleylibrary.org) or follow us on Facebook to stay up to date on everything going on at your library.

Thank you for your support!

#### **Stanley Municipal WaterWorks:**

- The city still has a few locations that need new water meters. If you get a door hanger asking to upgrade your meter, please call City Hall to set up an appointment. This is no charge to you and takes about 15-25 minutes.
- When watering your garden or washing your vehicle, please make sure to use a vacuum breaker on the outside hose bib in compliance with the City Cross Connection Ordinance. Please contact the Clerk's Office if you need one.
- When you are making water utility payments online please make sure you are selecting **Water/Sewer Bill** under payments.
- If you notice discolored water coming from your tap, we may be flushing hydrants starting in May. Running your water for 2-5 minutes should clear up any discoloration.

#### **Stanley Wastewater Treatment Facility:**

- ❖ Never flush disposable diapers, disposable wipes, sanitary napkins or paper towels down the toilet. They could stop your drains, may damage your plumbing system, and could cause a sewer backup in the main system and lift stations.
- ❖ Avoid putting grease down your garbage disposal or household drain. It can solidify, collect debris and accumulate in City lines or build up in your own system.
- ❖ Do not flush unused medication down the toilet or drain. Please drop off any unused over the counter and prescription medications at the Stanley Police Department.

*Thank you for making Stanley your place to live, work and play!*
